WHY COLLABORATE

A niche, engaged horror audience

~32K followers who follow specifically for horror — not a general entertainment feed. A 46-account following list reflects an organically built audience.

Highly visual content, made for horror products

More than half of all posts are photos or videos — a natural fit for trailers, key art, gameplay clips and merchandise.

Open to partnerships

Available for sponsored posts, reviews, promo codes and tailored brand campaigns with horror games, film studios and merch brands.
